

## PE and Sports Grant

The government is providing additional funding of £150 million per annum for academic years 2013 to 2016 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

## Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Pinewood Infant school and Foundation Unit has decided to use the money to:

- employ a specialist PE teacher to work alongside our teachers and teaching assistants when teaching PE in order to strengthen teaching and learning in this subject across school
- support and engage the least active children in physical activities
- pay for professional development opportunities for teachers in PE and sport
- increase pupils' participation in the sports and physical activities
- provide places for pupils on after school sports clubs
- improve resources to support the development of the subject

The impact of the use of the grant will be reviewed at the end of each year.

## Sports Grant Report 2015-16

Grant received - £8,820			
Total number of FT pupils on role			164
Summary of Grant spending 2015-16			
Objective <ul style="list-style-type: none"> <li>To effectively use the Sports Grant to raise the profile and outcomes for children in PE, Sport and physical activity across school</li> </ul>
