

PE and Sports Grant

The government is providing additional funding of £150 million per annum for academic years 2013 to 2017 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Pinewood Infant school and Foundation Unit has decided to use the money to:

- employ a specialist PE teacher to work alongside our teachers and teaching assistants when teaching PE in order to strengthen teaching and learning in this subject across school
- support and engage the least active children in physical activities
- pay for professional development opportunities for teachers in PE and sport
- increase pupils' participation in the sports and physical activities
- provide places for pupils on after school sports clubs
- improve resources to support the development of the subject

The impact of the use of the grant will be reviewed at the end of each year.

Sports Grant Report 2016-17

Grant to be received - £8,820			
Total number of FT pupils on role		164	
Summary of Grant spending 2016-17
