'Investors in Pupils' Assessment

Pinewood Infant School and Foundation Unit

Dear Mrs McAdam,

Thank you for inviting me to assess 'Investors in Pupils' at your school on June 21st 2016. I can now confirm that the assessment report has been quality assured by the West Yorkshire Investors in Pupils Partnership. I am therefore pleased to inform you that Pinewood School has successfully achieved the 'Investors in Pupils' accreditation.

The decision was based on information and evidence from a variety of sources, including the school's self-assessment form, planning documentation, secondary sources, pre-assessment telephone interview and a full timetable of interviews. Interviews took place with a range of stakeholders involved in daily school life including; senior leadership team; governors; parents; teachers; non-teaching staff; pupils from each year group and pupils with positions of responsibility.

The school has an abundance of talented, creative and enthusiastic pupils. As part of its continued approach to pupil support and development the school should consider how pupils could take a lead in future development and in addressing the areas for development.

I would like to thank all the pupils and staff of Pinewood School for a very enjoyable visit and for the opportunity and privilege to witness such a positive school community in action.

I wish the school every success in the future.

Yours sincerely,

Judy Wood
