## Toileting Policy Foundation 1

Pinewood expects that all children will be toilet trained on entry to F1 (Nursery). If your child is not toilet trained school will expect you to inform the Foundation staff before they begin school; either at the twilight sessions or by contacting the school office.

On entry, if not toilet trained, staff will support you and your child through an initial settling in period (6 weeks) offering advice for home and training at school.

If your child is not fully toilet trained you will need to provide school with pants, wipes and pull-ups. School will contact you if there is persistent soiling and you will be expected to come in and change your child or take them home if they need a shower or bath.

If your child is on the Special Educational Needs Register and they are not toilet trained their needs will be fully met in school.
