Website overview for Pupil Premium 2016

Pupil premium: conditions of the grant:

The Department for Education (DfE) has paid the Pupil Premium Grant for 2016/2017 to our school. Each child entitled to Free School Meals is allocated **£1320**.

The grant may be spent by maintained schools for the purposes of the school: that is to say for the educational benefit of pupils registered at that school and on community facilities, for example services whose provision furthers any charitable purpose for the benefit of pupils at the school or their families, or people who live or work in the locality in which the school is situated.

Allocation

The grant is to be allocated in two parts, which are:

- Pupil premium for pupils known to be eligible for free school meals (FSM) in any of the previous six years and service children in mainstream schools
- Pupil premium for children looked after (CLA)
- Forces children

Pinewood Infant School and Foundation Unit was allocated £69,690 plus £5,700 for three Looked After Children.

How we are using the allocation to support our children: To promote social mobility and close the gap in attainment between disadvantaged children and others.

- 2 x TAs in each classroom
- One to one additional support with reading and maths
- Booster groups before and after school to improve progress
- Extra resources to support learning e.g. Phonic packages, movement workshops, reading books, training for TAs.
- IT support- increased access to computers, programs to help with closing the gap in learning, iPads and trolley.
- Teaching Assistant support- ensuring the children have support from extra adults within classes to provide pupils with one to one support, booster groups, guided reading groups, nurture and enrichment groups. We have employed a further 4 TAs to support children in the classroom
- Financial support for families to access residential visits, class outings and in school visitors such as theatre groups, school uniform
- Sports coach to work with identified children to improve core skills
- Maths resources to improve maths concepts- numicon across all year groups

If you would like more information please contact the school office.
