

Issue: Lots of litter in the bushes and around school.

School council meeting

Action - School Council worked together to collect the litter using litter pickers.

Action - Make signs for the compost bins to encourage children to put their fruit waste in them.

Report back to group

Action taken

The School Council team noticed litter in the bushes around school and decided to work together to collect the litter and put it in the bins.

They have also made signs for the compost bins to encourage the children to put their fruit waste in them.
